## Instructions for the presentation of you projects

You are invited to hold your presentation in English. You are welcomed to use ppt slides and to bring handouts for the audience. The slides will be used for documentation afterwards, so please bear in mind that they will be read by people who have not attended the seminar.

1. The presentation includes:

a. Presentation of what the project is about - content

b. What was the trigger for the project from your side?

b. Why a European project and not a national project?

c. Who will gain from the results of your project?

d. How do you cater for sustainability on organisational, national and European level?

e. Practically, how have you managed the project in your own organization - resources...support...part of a long term plan...

f. In what way does your project support the European agenda for adult learning?

Either by outcomes or changes in your local organization/community/personal role or function

g. Between the lines-experiences (dos and don'ts)

h. Networking offers/needs
